**Circular letter to National Olympic Committees on the
OCA-recognised AF for bodybuilding**

Dear Sir/Madam:

As per consultation with the Olympic Council of Asia, we would like to inform you that the Muscat Asian Beach Games Organising Committee will only coordinate and transact with Asian Federations recognised by the OCA.

In reference to the OCA circular, we would like to inform you that the **Asian Bodybuilding & Fitness Federation or ABBF** is the body authorised by the OCA to carry out the Bodybuilding competition during the 2nd Muscat Asian Beach Games Muscat 2010. We request that your NOC dealings be with the ABBF's recognised National Federations.

We remain at your disposal for any clarification that you may require.

Yours sincerely,

HABIB MACKI
Director General
