To all my dear colleagues in the Indian Body Builders Federation

I write to offer you all my warmest congratulations on behalf of the World Bodybuilding and Physique Sports Federation and the Asian Bodybuilding and Physique Sports Federation for the timely recognition of the Indian Body Builders Federation from the Government of India, Ministry of Youth Affairs and Sports as the only official body for the sport of Bodybuilding in the Republic of India.

It is always good to see merit rewarded and it came as no surprise to me and my colleagues in the WBPF and ABBF to learn of this great news because we know that the officials involved in your federation are honest, transparent and hardworking for the bodybuilding fraternity in India. You have man of quality to lead the federation to the highest level and most of them are devoted and dedicated officials.

I will be failing in my duty if I do not mention the names of some officials who have toiled and worked hard in obtaining this recognition from MYAS. Credit should be given to the following officials for their great sacrifices of time and energy rendered for the cause of bodybuilding:-
