

UZBEKISTAN IS THE LATEST COUNTRY TO JOIN THE WBPF AND ABBF TO PURSUE WITH THEIR MISSION TO PROMOTE BODYBUILDING & PHYSIQUE SPORTS IN ASIA AND THE WORLD

A new committee was elected recently by the BODYBUILDING & FITNESS FEDERATION OF UZBEKISTAN. It is administrated by able leaders who wish to see the growth of bodybuilding and physique sports throughout Asia and the World. At their Annual General Meeting held last month, they decided to join the WBPF and ABBF after studying the pros and cons of these two federations compared with others. Their Central Asian sister countries such as Kazakhstan and Tajikistan are already members of the WBPF and ABBF, and with Uzbekistan becoming a member, there is a possibility to hold a Central Asian Championships in this region very soon and the possibility of forming the CENTRAL ASIAN BODYBUILDING AND PHBYSIQUE SPORTS FEDERATION. In this way, they could organize their own regional competitions on a rotation basis amongst the Central Asian countries which will enhance popularity of the sport in the region.

Dmitry Adisman - President of the Federation of Bodybuilding and Fitness Republic of Uzbekistan, the President of the Special Olympic Committee for Children with Disabilities, Advisor to the Minister of Culture and Sport and the Secretary General of the Judo Federation.

The UZFBB was founded on September 3, 2006 and they are one of the active federations in Central Asia.

Timur Sabirov- Vice-President of the Federation of Bodybuilding and Fitness Republic of Uzbekistan. Participates in the development and promotion of the sport such as the Strong man and bodybuilding.

Vice-President of UZFBB Mr. Timur Sabirov is in-charge of bodybuilding and he is a good friend of Mr. Imataliyev Talap, Secretary-General of the Republican Public Association “Federation of Bodybuilding & Fitness” of Kazakhstan. Through their intimate connection, the UZFBB decided to be on the bandwagon of the WBPF and ABBF.
