Our dear colleague Ehab Alkabariti, President of the Jordan WBPF will be organizing the 1st Al Fuhais Jordan International Championships on 11th April 2014 with the blessing of the Mayor of Al Fuhais a beautiful city in the Kingdom of Jordan.

The Mayor will assist officially in organising this great competition in his city.

A big thank you to the President of the Arab Bodybuilding and Physique Sports Federation - none other than the hero of bodybuilding - Mustafa Mohammad Hasanien for his passion, dedication and great loyalty to WBPF and all brothers in the Arab world. Mustafa is co-ordinating and working with the great team in Jordan to make this event a success.

The 1ST AL FUHAIS JORDAN INTERNATIONAL CHAMPIONSHIPS IS OPEN TO ALL ARAB BROTHERS IN THE WORLD, NO RESTRICTIONS TO ALL.

**GREAT NEWS FOR INDEPENDENT BODYBUILDERS:
AL FUHAIS JORDAN INTERNATIONAL CHAMPIONSHIPS IS
OPEN TO ALL ARAB BROTHERS IN THE WORLD**

**INDEPENDENT BODYBUILDERS WITHOUT
WBPF AFFLIATION - DUE TO NON
AFFLIATION OR REPRESENTATION IN THEIR
COUNTRY OF RESIDENCE.**

The WBPF Executive Committee has approved the participation of athletes that are in effect in limbo and unable to compete in WBPF Regional, Continental and International Championships, this decision is with immediate effect.

Independent athletes will however need to provide documentary evidence of citizenship or permanent resident certificate of the country that they are to represent, in addition an athlete adopted/sponsored by a National Federation may nominate his/her name with a letter of undertaking from that federation to the WBPF, the nominating federation will be solely responsible for the welfare of the athlete and the athlete must accept in full, the code of ethics , rules and constitution of the WBPF or its Continental Federation.

In addition a police clearance certificate will be required prior to participation and also any prior suspension for doping offence will automatically result in rejection of the applicant. The nominating federation will be responsible for providing this information.

It is the wish of the WBPF to provide a platform allowing such independent athletes the opportunity to compete at WBPF events and we encourage applicants to apply.
