

World Bodybuilding and Physique Sports Travels to Mauritius

Exciting news: following recent meetings with WBPF President Pradeep Baba Madhok and discussions with Secretary-General Datuk Paul Chua, a fabulous Bodybuilding Production is proposed in the Republic of Mauritius.

Voted as one of the world's top luxury tourist destinations, this tropical Island also has one of the best beaches on the planet.

It is also the home of former bodybuilder Mr Succhi Kumar, a former student of Baba Madhok, he is also a long time admirer of Ms Christina Kam and the Hon. Datuk Paul Chua. Mr Kumar is now a well known businessman and entrepreneur who among other interests owns the largest television production house in that country.

A major event is proposed to be called, "Best of the World Mauritius Cup Bodybuilding Championship", which will be held under the banner of the Mauritius Bodybuilding and Sports Federation and sanctioned and supervised by the WBPF.

The organization will be hosted by Silver Stone Productions and it is proposed that invitations will be extended to 20 of the world's best bodybuilders to compete for a suitable monetary prize.

Airfare, food and accommodation will be paid for by the organizers for all participants and officials that participate in this Island Paradise.

The event is to be held early in the year and full details will follow:
