

**JULIA ZUHARDIMAN OF INDONESIA WAS
APPOINTED AS THE CHAIRPERSON OF
THE SCIENCE AND RESEARCH
COMMITTEE OF THE WBPF**

The WBPF Executive Committee unanimously appointed Ms. Julia Zuhardiman of Indonesia as the Chairperson of the Science and Research Committee. She is currently an Executive Board member of the All Indonesian Bodybuilding, Weightlifting and Powerlifting Association, intelligent hardworking and able to travel and participate at all meetings and competitions. A business manager and entrepreneur, she and her husband are involved in the management of a printing company that for many years has serviced the world's leading companies such as Samsung, Adidas, Sony and many others. She is a capable person who will also provide further strength and equality to our Executive Committee and at the same time add additional leadership qualities to our team.
