NCA- WBPF FRANCE is the latest member to join the WBPF. Our thanks to Rudy Getteman, President of WBPF Belgium and Walter Branden, President of WBPF Netherlands for bringing this federation to the fold of the World Bodybuilding and Physique Sports Federation.

NCA-WBPF France is under the leadership of M. Franchini Alexandre Michel. A well known international Bodybuilder and Karate teacher.

WBPF is growing rapidly and we expect more countries to join us this year.
