

CHAIRMAN OF JUDGES' COMMITTEE WALTER VAN DEN BRANDEN OF NETHERLANDS AND HIS STANDING COMMITTEE WORKING WITH GREAT INTENSITY AND TRANSPARENCY FOR WBPF

Mr. Walter van den Branden
Chairperson of Judges Committee
(Netherlands)

Walter van den Branden of the Netherlands faces the toughest challenge being the Chairman of the Judges Committee. His job is to ensure fair-play. All judges are selected to officiate basing on their merit of their past records. He has wealth of experience in judging. Walter was involved as a judge for the past 30 over years and he is an upright fellow and does not favor anyone. He is diplomatic and soft spoken and handles the judging system with great attention to ensure fair results in competitions. His job is not an easy task, he face critics who are unreasonable and aggressive when their athletes lose in a competition but to Walter this is understandable as he is fully aware that no losers would be happy in any sport and he understand their attitude but then he is not the one who decides the final results of the competition, it is the judge's decision which is final and binding.

Walter has a competent team of 4 officials to assist him and he is proud to work with them. The four officials are:
