Dear Executive Council Members of WBPF and WBPF National Federations

The Asian Bodybuilding and Physique Sports Federation (ABBF) reorganized its Administration and Structure with the approval of the Executive Committee of ABBF and national federations affiliated to it. It was necessary to lead and steward the ABBF to the highest level under a strong leadership. For the past few years, we have had too many changes in leadership with false promises and this does not augur well for our image and sport.

Datuk Paul Chua the "Father of Bodybuilding" and Founder of ABBF was elected to take over the helm as the President of this continental federation with the re-designation of the following officials whom he had selected to lead together with him in ensuring a good team of official who are committed and dedicated to our sport of Bodybuilding in the coming years ahead:

- a) Mr. Sugree Supawarikul as the Secretary-General/Treasurer (Thailand)
- b) Mr. Hussain Alsaffar of UAE as the Executive Director.

The rest of the positions of all Executive Members remains unchanged as they are tested and trust worthy officials of our Federation.

Thank you

Christina Y. Kam  
Executive Council Member of ABBF  
Executive Director - WBPF
