WBPF ANNUAL CONGRESS

WBPF Annual Congress Held On 8th December 2022 At The Dara Theater In Phuket, Thailand

Over 40 countries with 150 delegates/officials and 350 athletes participated in the 13th World Bodybuilding & Physique Sports Championships and Congress held in Phuket, Kingdom of Thailand.

After a hiatus of 30 months period due to the pandemic of Covid-19, the assembling of over 40 nations was one of the best "family gatherings" for all where we met and embraced each other in Phuket, Thailand.

The meetings and 3 days of competition went smoothly, and 45 Judges from various countries (men and women) in the various categories on a rotation basis.

Sugree Supawarikul, Organizing Chairman of the 13th World Bodybuilding & Physique Sports Championships, Datuk Paul Chua, President of the World Bodybuilding and Physique Sports Federation, and Pol. Gen. Dechnarong Sutticharnbancha, Advisory Chairman of the championships addressed the audience at the Central Phuket on the first day of the opening ceremony on 9th December 2022.

Speech of the WBPF President Datuk Paul Chua at the Congress and at the Opening Ceremony:

"I wish to pay tribute to two of my founding members in the WBPF who has been a pillar of strength to our organization, they are Mr. Axel Bauer (Austria) and Mr. Hussain Alsaffar (UAE). Both of them rode along with me for the past 14 years and served with loyalty and dedication to the success we are enjoying today.

Our Executive Director, Ms. Christina Y. Kam (Hong Kong) contributed her services and assisted our WBPF in many ways, and she has been working with me for the past 25 years, a great personality with great administrative skills.

Thailand Bodybuilding and Physique Sports Association under the leadership of our colleague Mr. Sugee Supawarikul is largely responsible for the popularity of the sport in his country. He has spent most of his life for our sport in hosting the World event for the 5th time within a period of 12 years.

Our WBPF has grown far beyond our expectations in the world and our image of WBPF is now very popular, we are all encouraged by this dramatic development.

I wish to express my sincere thanks to all participating countries from all over the world and welcome them in the true sporting spirit of solidarity in Phuket for us to meet and strengthen our friendships.

Lastly, I would like to remind all Bodybuilders and Physique Sports athletes not to fall into the trap/fooled into obtaining PROFESSIONAL CARDS issued by several organizations, this is a money-making scheme for cheating the athletes. Please be aware.
